

Privacy Policy

Last Updated: 2026-04-11

Welcome. Your privacy is important to me. This Privacy Policy explains how your data is collected, used, and protected when you use my applications, video games (primarily developed using the **Unity** engine), and related services.

1. Data Controller

The data processing is managed by:

- **Developer:** Trimarchi Carlo
- **Contact Email:** trimarchicarlo.progetti@gmail.com
- **Location:** Private developer without a fixed physical office (reachable via email).

2. Data We May Collect

Since my portfolio includes various apps and games, the data collected may vary depending on the specific service used. This includes:

- **Voluntary Information:** Email address, username, or profile data if you choose to register, sign up for newsletters, or contact support.
- **Device and Usage Data:** Collected automatically through tools such as **Unity Analytics** or **Firebase**. This includes device type, operating system, advertising IDs (e.g., IDFA/AAID), and gameplay statistics (levels reached, session length, purchases).
- **Approximate Location Data:** Based on your IP address to determine your country of origin (we do not use precise GPS tracking).

3. Third-Party Services

Many of my games utilize external services to enhance functionality or support development. These partners have their own privacy policies:

- **Unity Technologies:** For the game engine and data analytics.
- **Advertising (AdMob, Unity Ads, etc.):** To display advertisements. These partners may use advertising IDs to show relevant ads.
- **Gaming Platforms (Google Play Games, Apple Game Center):** If you sign in, data regarding progress and achievements will be managed by these platforms.
- **Payments:** For In-App Purchases (IAP), payments are processed by official stores (Apple/Google) or external processors (e.g., Stripe, PayPal). **I do not store your credit card or financial information.**

4. Purpose of Data Processing

We use your data to:

1. Provide and improve game features and functionality.
2. Personalize the user experience and show relevant content (or ads).
3. Ensure security and prevent fraud or abuse.
4. Comply with legal obligations.

5. Data Retention

Data is stored only for as long as necessary to provide the requested services or for legal purposes. If a third-party service collects data, the retention period depends on their specific policies.

6. Children's Privacy

My services are intended for a general audience. We do not knowingly collect personal data from children under the age of 13 (or 16, depending on local laws) without parental consent. If you believe a minor's data has been collected, please contact me immediately for deletion.

7. Your Rights (GDPR & International Laws)

As a user, you have the right to:

- Access the data I hold about you.
- Request the correction or deletion of your data.
- Object to processing or withdraw consent (e.g., by resetting your advertising ID in your phone settings).

8. Changes to this Privacy Policy

I may update this policy from time to time to reflect changes in my apps or applicable laws. You are encouraged to review this page periodically.
